

Family Rooms

The Finca Honor Vell comprises a total of 370 acres of grounds along with the manor house of Honor Vell. The impressive historical background of the finca is reflected in the authentically renovated buildings as well as in the eight individually designed rooms, the studio and the communal rooms.

Architectural reminders of the past such as walls a metre thick, original archways and vaulted ceilings and an oil mill and press, once the centre of the finca's business, transport Honor Vell guests back in time. In an especially relaxing way the ancient traditions of the medieval manor house are reflected in the Majorcan style furnishings. The spacious rooms are surprisingly and discreetly decorated with charming details such as woodcarvings, slanting ceilings with wooden beams, Majorcan tiled patterns, pretty mirrors and hidden oriels.

Outside the building there is a lot to discover: ancient olive trees, terraces and dry stone walls, paths and trails in every corner of the finca and not to forget the variety of year-round residents - mountain goats, sheep, donkeys, dogs, cats, chickens, ...

The fantastically secluded the Finca Honor Vell guarantees a serene and peaceful holiday atmosphere on Majorca. Relax at the spacious pool, make use of spacy garden with various playgrounds (badminton field, table tennis, archery, etc.). Far from the beaten tourist track discover the gorgeous Majorcan scenery on foot or by bike and reside in our family rooms at Honor Vell.

The family rooms for 4 /5-member families are cheaper alternative for the hotel vacation compared to booking individual rooms. By combining a superior and standard rooms a large living area is provided, with guaranteed privacy ,both internally and against other hotel guests.

The rooms are lovingly and stylishly decorated with Majorcan elements thus offering modern amenities such as central heating and free Wi-Fi.
